

Update 12: France - Plans to Impose Quarantine Restrictions on Travel From UK

- French government is planning to implement reciprocal quarantine restrictions on travel from the UK
- Britain added France to its red list of banned countries on August 15, following a spike in COVID-19 cases
- Minister for European Affairs Clement Beaune signaled the tit-for-tat action will be set out in the coming days
- Due to fears the two-week self-isolation rules are causing lasting damage to the travel and tourism industries, the government is under intense pressure to reduce such measures
- Airlines are asking to allow people returning from countries on the government's COVID-19 "red list" to be tested on arrival
- As of now, the country has reported 244,854 COVID-19 confirmed cases and 30,528 related deaths (12% of total reported cases)
- Supply Wisdom is continuously monitoring the situation and will alert you to any relevant developments
- Please consult Ministry of Health of France (<https://solidarites-sante.gouv.fr/>) for the latest information on COVID-19 in France

Impact level Definitions

Impact Level	Definitions
Immediate	Certain - Supply Wisdom recommends considering prompt action. Examples of Immediate level alert events may include bankruptcy filings, data breaches, unexpected curfews, strikes, power black-outs, major geo-political events etc.
High	Highly likely to occur in the near term (within 3 months) - Supply Wisdom recommends being in a state of readiness to take quick action. Examples of High level alert events may include withdrawal of rating by ratings agencies, hostile takeover, multiple cyber-attacks, new business policies causing significant hardship etc.
Medium	Likely to occur in the mid-term (within 3 to 6 months) - Supply Wisdom recommends reviewing current mitigation steps and being ready to take proactive actions if and when situation deteriorates further. Examples of Medium level alert events may include unplanned C-level exits, suppliers caught in bribery cases, economy slipping into recession.
Low	Possible in the long-term (after 6 months) - Supply Wisdom recommends taking proactive action if situation does not resolve. Examples of Low level alert events may include lawsuits filed against suppliers, client losses, air pollution alerts issued by country's local authorities, unexpected holidays announced for the location etc.
Informational	The event is pertinent information but does not have a risk element associated with it. Examples of Info level alert events may include launch of new solutions, partnerships signed, industry outlook, positive changes in government policies, announcements regarding launch of software parks/ free trade zones/special economic zones etc.
