

Update 18: Romania - Government Plans to Extend State of Alert Amid Spike in COVID-19 Cases

- On October 14, 2020, Romania's centrist minority government introduced new progressive restrictions to stem a rise in new COVID-19 infections
- The government will extend a state of alert until mid-November 2020
- Romania has been reporting daily infection rates of over 4,000 for the past few days
- The government will ban all indoor and outdoor private events such as weddings and baptisms from October 15, 2020
- The government will make wearing protective masks in all public spaces mandatory in towns where the two-week average rate of infections exceeds 3 cases per 1,000 people
- Wearing masks is currently mandatory in public transport, indoor public spaces and crowded areas such as markets
- Officials also decided to make opening theatres, cinemas, and indoor restaurants dependant of the number of infections in each city
- Establishments would run at half capacity in areas where the infection rate was below 1.5 cases per 1,000 people, and at a third of capacity where the rate was between 1.5 and 3.0
- As of now, Romania has reported 164,477 confirmed COVID-19 cases with 5,601 deaths (3.4% of total reported cases) and 122,714 recoveries (74.6% of total reported cases)
- Supply Wisdom is continuously monitoring the situation and will alert you to any relevant developments
