

Update 11: Panama - Officially Reopens its Borders for International Tourism

- Panama has officially reopened its borders to all countries and is now accepting flights into Tocumen International Airport
- The country has welcomed over 300 travelers from around the world since the reopening date
- Reopening of its borders comes after months of strategic planning, which resulted in new health and safety protocols
- Before traveling to Panama, passengers are required to complete an electronic affidavit before checking-in to their flight
- Incoming travelers, including the citizens, must present a negative COVID-19 Polymerase Chain Reaction (PCR) or antigen test upon arrival
- As of now, the country reported 122,128 confirmed COVID-19 cases with 2,519 deaths (2.06% of total reported cases), and 97,919 recovered (80.11% of the total reported cases)
- Supply Wisdom is continuously monitoring the situation and will alert you to any relevant developments
- Please consult Ministry of Health (<http://www.minsa.gob.pa/>) for the latest information on COVID-19 in Panama

Impact level Definitions

Impact Level	Definitions
Immediate	Certain - Supply Wisdom recommends considering prompt action. Examples of Immediate level alert events may include bankruptcy filings, data breaches, unexpected curfews, strikes, power black-outs, major geo-political events etc.
High	Highly likely to occur in the near term (within 3 months) - Supply Wisdom recommends being in a state of readiness to take quick action. Examples of High level alert events may include withdrawal of rating by ratings agencies, hostile takeover, multiple cyber-attacks, new business policies causing significant hardship etc.
Medium	Likely to occur in the mid-term (within 3 to 6 months) - Supply Wisdom recommends reviewing current mitigation steps and being ready to take proactive actions if and when situation deteriorates further. Examples of Medium level alert events may include unplanned C-level exits, suppliers caught in bribery cases, economy slipping into recession.
Low	Possible in the long-term (after 6 months) - Supply Wisdom recommends taking proactive action if situation does not resolve. Examples of Low level alert events may include lawsuits filed against suppliers, client losses, air pollution alerts issued by country's local authorities, unexpected holidays announced for the location etc.
Informational	The event is pertinent information but does not have a risk element associated with it. Examples of Info level alert events may include launch of new solutions, partnerships signed, industry outlook, positive changes in government policies, announcements regarding launch of software parks/ free trade zones/special economic zones etc.
