

Update 6: Egypt - Announces Three-Stage 'Coexistence Plan' Amid COVID-19 Pandemic

- On May 15, Egypt's authorities announced a three-stage plan to coexist with COVID-19 pandemic
- First stage will ensure strict monitoring for increase in new COVID-19 cases for two consecutive weeks
- Second stage, which is expected to last for 28 days, will begin as new cases decline
- It will include strict screening of people prior entering public facilities, such as metro and train stations
- Businesses will ensure proper sanitization and all commercial establishments will serve limited number of customers
- Third stage will include measures to mitigate the pandemic and will end with WHO's announcement of reduced global risk
- Across all stages, recreational facilities, restaurants, schools and universities, gyms and sports facilities will remain closed
- Social gatherings will remain banned and people will have to maintain two meters distance at all times
- People over 50, suffering from chronic diseases, and pregnant women are advised to stay at home
- Updated version of the plan is expected to be announced soon
- As of now, Egypt reported 10,413 confirmed COVID-19 cases and 556 deaths
- Supply Wisdom is continuously monitoring the situation and will alert you to any relevant developments
- Please consult Ministry of Health (<http://www.mohp.gov.eg/>) for the latest information on COVID-19 in Egypt

Impact level Definitions

Impact Level	Definitions
Immediate	Certain - Supply Wisdom recommends considering prompt action. Examples of Immediate level alert events may include bankruptcy filings, data breaches, unexpected curfews, strikes, power black-outs, major geo-political events etc.
High	Highly likely to occur in the near term (within 3 months) - Supply Wisdom recommends being in a state of readiness to take quick action. Examples of High level alert events may include withdrawal of rating by ratings agencies, hostile takeover, multiple cyber-attacks, new business policies causing significant hardship etc.
Medium	Likely to occur in the mid-term (within 3 to 6 months) - Supply Wisdom recommends reviewing current mitigation steps and being ready to take proactive actions if and when situation deteriorates further. Examples of Medium level alert events may include unplanned C-level exits, suppliers caught in bribery cases, economy slipping into recession.
Low	Possible in the long-term (after 6 months) - Supply Wisdom recommends taking proactive action if situation does not resolve. Examples of Low level alert events may include lawsuits filed against suppliers, client losses, air pollution alerts issued by country's local authorities, unexpected holidays announced for the location etc.
Informational	The event is pertinent information but does not have a risk element associated with it. Examples of Info level alert events may include launch of new solutions, partnerships signed, industry outlook, positive changes in government policies, announcements regarding launch of software parks/ free trade zones/special economic zones etc.
