

Update 7: Canada - Extends Closure of National Border Until July 31; Mandatory Quarantine Order in Place Until August 31

- The national borders of Canada will remain closed for another month in order to check any further rise of COVID-19 infection within the country
- Canada imposed a travel ban on March 18, which was due to be lifted on June 30
- Canada Border Services Agency (CBSA) has now extended the travel restrictions till July 31
- Under this rule, only exempt travelers will be permitted to enter the country
- CBSA will only admit travelers to Canada for essential reasons
- Both Canada and the USA will restrict cross-border travel at least till July 21
- In addition, a new order in Council has been passed to extend Canada's self-quarantine requirement until August 31
- Meanwhile, several provinces in the country have eased down lockdown restrictions while maintaining social distancing
- Supply Wisdom is continuously monitoring the situation and will alert you to any relevant developments
- Please consult Department of Health Canada (<https://www.canada.ca/en/health-canada.html>) for the latest information on COVID-19 in Canada

Impact level Definitions

| Impact Level | Definitions |
|---------------|--|
| Immediate | Certain - Supply Wisdom recommends considering prompt action. Examples of Immediate level alert events may include bankruptcy filings, data breaches, unexpected curfews, strikes, power black-outs, major geo-political events etc. |
| High | Highly likely to occur in the near term (within 3 months) - Supply Wisdom recommends being in a state of readiness to take quick action. Examples of High level alert events may include withdrawal of rating by ratings agencies, hostile takeover, multiple cyber-attacks, new business policies causing significant hardship etc. |
| Medium | Likely to occur in the mid-term (within 3 to 6 months) - Supply Wisdom recommends reviewing current mitigation steps and being ready to take proactive actions if and when situation deteriorates further. Examples of Medium level alert events may include unplanned C-level exits, suppliers caught in bribery cases, economy slipping into recession. |
| Low | Possible in the long-term (after 6 months) - Supply Wisdom recommends taking proactive action if situation does not resolve. Examples of Low level alert events may include lawsuits filed against suppliers, client losses, air pollution alerts issued by country's local authorities, unexpected holidays announced for the location etc. |
| Informational | The event is pertinent information but does not have a risk element associated with it. Examples of Info level alert events may include launch of new solutions, partnerships signed, industry outlook, positive changes in government policies, announcements regarding launch of software parks/ free trade zones/special economic zones etc. |
