

Update 35: Philippines - Resumes Non-Essential Foreign Travel Amid Certain Restrictions

- Philippines's government allowed Filipinos to resume non-essential travel across the country and abroad amid certain restrictions
- Individuals will be required to submit confirmed round-trip tickets if traveling on tourist visas
- Submission of travel and health insurance to cover rebooking and accommodation expenses is mandatory
- It will be compulsory to submit proof of allowed entry by destination country in accordance with their travel, health, and quarantine restrictions
- Travelers must execute declarations acknowledging the risks involved in traveling such as delays in flights
- Upon their return, they must follow guidelines of returning overseas Filipinos of National Task Force (NTF)
- As of now, country reported 46,333 COVID-19 confirmed cases and 1,303 related deaths
- Supply Wisdom is continuously monitoring the situation and will alert you to any relevant developments
- Please consult Disease Prevention and Control Bureau (<https://www.doh.gov.ph/node/689>) for the latest information on COVID-19 in the Philippines

Impact level Definitions

Impact Level	Definitions
Immediate	Certain - Supply Wisdom recommends considering prompt action. Examples of Immediate level alert events may include bankruptcy filings, data breaches, unexpected curfews, strikes, power black-outs, major geo-political events etc.
High	Highly likely to occur in the near term (within 3 months) - Supply Wisdom recommends being in a state of readiness to take quick action. Examples of High level alert events may include withdrawal of rating by ratings agencies, hostile takeover, multiple cyber-attacks, new business policies causing significant hardship etc.
Medium	Likely to occur in the mid-term (within 3 to 6 months) - Supply Wisdom recommends reviewing current mitigation steps and being ready to take proactive actions if and when situation deteriorates further. Examples of Medium level alert events may include unplanned C-level exits, suppliers caught in bribery cases, economy slipping into recession.
Low	Possible in the long-term (after 6 months) - Supply Wisdom recommends taking proactive action if situation does not resolve. Examples of Low level alert events may include lawsuits filed against suppliers, client losses, air pollution alerts issued by country's local authorities, unexpected holidays announced for the location etc.
Informational	The event is pertinent information but does not have a risk element associated with it. Examples of Info level alert events may include launch of new solutions, partnerships signed, industry outlook, positive changes in government policies, announcements regarding launch of software parks/ free trade zones/special economic zones etc.
