

Update 5: Israel - Imposes New COVID-19 Lockdown Measures Starting July 17, 2020

- Israel imposed new COVID-19 measures starting July 17 to curb the spread of COVID-19 infections
- Lockdown has been imposed during weekend, allowing limited access to public places
- Educational institutions have been shut down indefinitely
- Restaurants will revert to take-out and gyms will remain closed
- Gatherings of more than 20 people in open space and more than 10 people indoors have been prohibited on all days
- Measures will remain in effect until August 31 or until the number of daily new COVID-19 cases decline to 400
- On July 16, Health Ministry reported approximately 1,900 new COVID-19 infections
- Total cases surpassed 44,500, with approximately 380 deaths
- Supply Wisdom is continuously monitoring the situation and will alert you to any relevant developments
- Please consult Ministry of Health (<https://govextra.gov.il/ministry-of-health/corona/corona-virus-en/>) for latest information on COVID-19 in Israel

Impact level Definitions

Impact Level	Definitions
Immediate	Certain - Supply Wisdom recommends considering prompt action. Examples of Immediate level alert events may include bankruptcy filings, data breaches, unexpected curfews, strikes, power black-outs, major geo-political events etc.
High	Highly likely to occur in the near term (within 3 months) - Supply Wisdom recommends being in a state of readiness to take quick action. Examples of High level alert events may include withdrawal of rating by ratings agencies, hostile takeover, multiple cyber-attacks, new business policies causing significant hardship etc.
Medium	Likely to occur in the mid-term (within 3 to 6 months) - Supply Wisdom recommends reviewing current mitigation steps and being ready to take proactive actions if and when situation deteriorates further. Examples of Medium level alert events may include unplanned C-level exits, suppliers caught in bribery cases, economy slipping into recession.
Low	Possible in the long-term (after 6 months) - Supply Wisdom recommends taking proactive action if situation does not resolve. Examples of Low level alert events may include lawsuits filed against suppliers, client losses, air pollution alerts issued by country's local authorities, unexpected holidays announced for the location etc.
Informational	The event is pertinent information but does not have a risk element associated with it. Examples of Info level alert events may include launch of new solutions, partnerships signed, industry outlook, positive changes in government policies, announcements regarding launch of software parks/ free trade zones/special economic zones etc.
