

Update 35: New South Wales, Australia - Plans to Close Border with Victoria Starting July 21, 2020 Amid Increase in COVID-19 Cases

- New South Wales (NSW) will enforce tougher COVID-19 border restrictions for people arriving from Victoria
- Starting July 21, a border zone will be set up along Murray River and criteria for cross-border travel will be tightened
- All current travel permits will be cancelled
- Residents in the border zone who plans to move between the states will have to reapply
- Travel will only be allowed for work, education, or for medical care, supplies, or health services
- If NSW residents travel beyond the border zone into Victoria, they will be forced to self-isolate for two weeks when they return
- This comes as NSW reported 20 new COVID-19 cases and Victoria recorded 275 cases on July 20
- Supply Wisdom is continuously monitoring the situation and will alert you to any relevant developments
- Please consult Australian Government Department of Health (<https://www.health.gov.au/>) for latest information on COVID-19 in Australia

Impact level Definitions

Impact Level	Definitions
Immediate	Certain - Supply Wisdom recommends considering prompt action. Examples of Immediate level alert events may include bankruptcy filings, data breaches, unexpected curfews, strikes, power black-outs, major geo-political events etc.
High	Highly likely to occur in the near term (within 3 months) - Supply Wisdom recommends being in a state of readiness to take quick action. Examples of High level alert events may include withdrawal of rating by ratings agencies, hostile takeover, multiple cyber-attacks, new business policies causing significant hardship etc.
Medium	Likely to occur in the mid-term (within 3 to 6 months) - Supply Wisdom recommends reviewing current mitigation steps and being ready to take proactive actions if and when situation deteriorates further. Examples of Medium level alert events may include unplanned C-level exits, suppliers caught in bribery cases, economy slipping into recession.
Low	Possible in the long-term (after 6 months) - Supply Wisdom recommends taking proactive action if situation does not resolve. Examples of Low level alert events may include lawsuits filed against suppliers, client losses, air pollution alerts issued by country's local authorities, unexpected holidays announced for the location etc.
Informational	The event is pertinent information but does not have a risk element associated with it. Examples of Info level alert events may include launch of new solutions, partnerships signed, industry outlook, positive changes in government policies, announcements regarding launch of software parks/ free trade zones/special economic zones etc.
