

## Update 16: Walmart, Inc. - Employee Tests Positive for COVID-19 - Ottawa, Canada

- An employee at the Walmart store at the Billings Bridge Shopping Centre has tested positive for COVID-19
- Corporate Affairs Manager Felicia Fefer said the employee last worked in the store on July 20, 2020
- Co-workers who were determined to be in close contact with the affected employee have been told to self-isolate
- Fefer says a deep-cleaning of the store was conducted
- Fefer did not say how many other affected employees were directed to self-isolate

# Impact level Definitions

Impact Level	Definitions
Immediate	<b>Certain</b> - Supply Wisdom recommends considering prompt action. Examples of Immediate level alert events may include bankruptcy filings, data breaches, unexpected curfews, strikes, power black-outs, major geo-political events etc.
High	<b>Highly likely to occur in the near term (within 3 months)</b> - Supply Wisdom recommends being in a state of readiness to take quick action. Examples of High level alert events may include withdrawal of rating by ratings agencies, hostile takeover, multiple cyber-attacks, new business policies causing significant hardship etc.
Medium	<b>Likely to occur in the mid-term (within 3 to 6 months)</b> - Supply Wisdom recommends reviewing current mitigation steps and being ready to take proactive actions if and when situation deteriorates further. Examples of Medium level alert events may include unplanned C-level exits, suppliers caught in bribery cases, economy slipping into recession.
Low	<b>Possible in the long-term (after 6 months)</b> - Supply Wisdom recommends taking proactive action if situation does not resolve. Examples of Low level alert events may include lawsuits filed against suppliers, client losses, air pollution alerts issued by country's local authorities, unexpected holidays announced for the location etc.
Informational	The event is pertinent information but does not have a risk element associated with it. Examples of Info level alert events may include launch of new solutions, partnerships signed, industry outlook, positive changes in government policies, announcements regarding launch of software parks/ free trade zones/special economic zones etc.
