

Update 11: Dominican Republic - President Extends National Curfew Until November 11, 2020 Amid COVID-19 Pandemic

- Dominican Republic's President Luis Abinader has extended the national curfew for another 25 days until at least November 11, 2020
- President Luis Abinader announced the extension in a new decree which will be reviewed by government authorities
- Use of masks is now mandatory by law in all public and private places
- The curfew runs from Monday to Friday from 9:00 pm until 5:00 am
- On Saturdays, Sundays, and holidays, the curfew is in effect from 7:00 pm until 5:00 am
- During these times, all locals, tourists, and expats must be off the streets and in their respective accommodations
- Travelers staying in resorts are allowed to move within the amenities on the property but can't leave the resort
- The head of state also extended the national emergency by the same amount of time in a second decree
- The Centers for Disease Control and Prevention (CDC) has issued a Level 3 Travel Health Notice for the Dominican Republic due to COVID-19
- As of now, the country has reported 120,925 confirmed COVID-19 cases with 2,195 deaths (~1.5% of total reported cases), and 97,575 recovered cases (~80% of total reported cases)
- Supply Wisdom is continuously monitoring the situation and will alert you to any relevant developments
- Please consult the Ministry of Health (<https://www.msp.gob.do/web/>) for the latest information on COVID-19 in the Dominican Republic

Impact level Definitions

Impact Level	Definitions
Immediate	Certain - Supply Wisdom recommends considering prompt action. Examples of Immediate level alert events may include bankruptcy filings, data breaches, unexpected curfews, strikes, power black-outs, major geo-political events etc.
High	Highly likely to occur in the near term (within 3 months) - Supply Wisdom recommends being in a state of readiness to take quick action. Examples of High level alert events may include withdrawal of rating by ratings agencies, hostile takeover, multiple cyber-attacks, new business policies causing significant hardship etc.
Medium	Likely to occur in the mid-term (within 3 to 6 months) - Supply Wisdom recommends reviewing current mitigation steps and being ready to take proactive actions if and when situation deteriorates further. Examples of Medium level alert events may include unplanned C-level exits, suppliers caught in bribery cases, economy slipping into recession.
Low	Possible in the long-term (after 6 months) - Supply Wisdom recommends taking proactive action if situation does not resolve. Examples of Low level alert events may include lawsuits filed against suppliers, client losses, air pollution alerts issued by country's local authorities, unexpected holidays announced for the location etc.
Informational	The event is pertinent information but does not have a risk element associated with it. Examples of Info level alert events may include launch of new solutions, partnerships signed, industry outlook, positive changes in government policies, announcements regarding launch of software parks/ free trade zones/special economic zones etc.
