

Update 29: Ukraine - Imposes National Lockdown on Weekends to Curb COVID-19 Spread

- On November 11, 2020, Ukrainian authorities imposed a national lockdown on weekends to strengthen steps to curb the rapid spread of the COVID-19
- Ukrainian Prime Minister confirmed that the weekend lockdown would be in force from November 14 to November 30, 2020
- Weekend lockdown will involve closing or restricting the activity of most businesses with the exception of grocery stores, pharmacies, hospitals and transport
- The work of shopping malls, sport centers, fitness centers, swimming pools, theaters and holding of the mass events is banned on weekends
- Also the hosting of people in restaurants, cafes and entertainment facilities is banned
- Authorities reported that new coronavirus infections began spiking in late September 2020 and has remained consistently high throughout October and so far in November 2020
- So authorities extended some restrictions until the end of this year such as mask wearing in public and limits on cafe opening hours
- As of now, Ukraine reported 489,808 COVID-19 cases with 8,947 deaths (1.8% of total reported cases) and 221,459 recoveries (45% of total reported cases)
- Supply Wisdom is continuously monitoring the situation and will alert you to any relevant developments
- Please consult Ministry of Health (<https://en.moz.gov.ua/>) for the latest information on COVID-19 in Ukraine

Impact level Definitions

Impact Level	Definitions
Immediate	Certain - Supply Wisdom recommends considering prompt action. Examples of Immediate level alert events may include bankruptcy filings, data breaches, unexpected curfews, strikes, power black-outs, major geo-political events etc.
High	Highly likely to occur in the near term (within 3 months) - Supply Wisdom recommends being in a state of readiness to take quick action. Examples of High level alert events may include withdrawal of rating by ratings agencies, hostile takeover, multiple cyber-attacks, new business policies causing significant hardship etc.
Medium	Likely to occur in the mid-term (within 3 to 6 months) - Supply Wisdom recommends reviewing current mitigation steps and being ready to take proactive actions if and when situation deteriorates further. Examples of Medium level alert events may include unplanned C-level exits, suppliers caught in bribery cases, economy slipping into recession.
Low	Possible in the long-term (after 6 months) - Supply Wisdom recommends taking proactive action if situation does not resolve. Examples of Low level alert events may include lawsuits filed against suppliers, client losses, air pollution alerts issued by country's local authorities, unexpected holidays announced for the location etc.
Informational	The event is pertinent information but does not have a risk element associated with it. Examples of Info level alert events may include launch of new solutions, partnerships signed, industry outlook, positive changes in government policies, announcements regarding launch of software parks/ free trade zones/special economic zones etc.
