

# Update 9: Libya - Plans to Resume Flight Services and Reopen Borders with Tunisia Effective November 14, 2020

- On November 11, 2020, the Libyan airports authority announced that flight services between Tunisia and Libya will resume from November 14, 2020 under the signing of a health protocol
- Health protocol aims to facilitate the movement of travelers from Libya and Tunisia in both directions via land and air
- Health Protocol also includes precautionary COVID-19 safety measures like wearing masks and ensuring social distance
- Travelers from both countries will be asked to fill out a form of their personal information, do a Covid-19 test 72 hours before flying or crossing the border and sign a written pledge to self-isolate for 10 days
- The two countries have also agreed to reopen the borders on November 14, 2020
- As of now, Libya reported 70,885 confirmed COVID-19 cases with 970 deaths (1.3% of total reported cases) and 42,098 recoveries (59% of total reported cases)
- Supply Wisdom is continuously monitoring the situation and will alert you to any relevant developments
- Please consult Ministry of Health (<http://health.gov.ly/>) for latest information on COVID-19 in Libya

# Impact level Definitions

Impact Level	Definitions
Immediate	<b>Certain</b> - Supply Wisdom recommends considering prompt action. Examples of Immediate level alert events may include bankruptcy filings, data breaches, unexpected curfews, strikes, power black-outs, major geo-political events etc.
High	<b>Highly likely to occur in the near term (within 3 months)</b> - Supply Wisdom recommends being in a state of readiness to take quick action. Examples of High level alert events may include withdrawal of rating by ratings agencies, hostile takeover, multiple cyber-attacks, new business policies causing significant hardship etc.
Medium	<b>Likely to occur in the mid-term (within 3 to 6 months)</b> - Supply Wisdom recommends reviewing current mitigation steps and being ready to take proactive actions if and when situation deteriorates further. Examples of Medium level alert events may include unplanned C-level exits, suppliers caught in bribery cases, economy slipping into recession.
Low	<b>Possible in the long-term (after 6 months)</b> - Supply Wisdom recommends taking proactive action if situation does not resolve. Examples of Low level alert events may include lawsuits filed against suppliers, client losses, air pollution alerts issued by country's local authorities, unexpected holidays announced for the location etc.
Informational	The event is pertinent information but does not have a risk element associated with it. Examples of Info level alert events may include launch of new solutions, partnerships signed, industry outlook, positive changes in government policies, announcements regarding launch of software parks/ free trade zones/special economic zones etc.
