

# Update 31: Israel - Extends Restrictions Until February 15, 2021 amid Rise in COVID-19 Cases

- According to the joint statement by the Israel Prime Minister's Office and Ministry of Health, Government has extended the COVID-19 restrictions until February 15, 2021
- Israel has lifted the third lockdown on February 07, 2021, but imposed many restrictions
- The lockdown restrictions include public movement to within 1 kilometer of their home, and food businesses can work for take away and delivery orders
- Also, National parks are open, and holiday rentals can cater to single families
- As of now, the country has reported 718,746 confirmed COVID-19 cases with 5,304 deaths, 0.73% of total reported cases, and 651,522 recoveries, 90.64% of the total reported cases
- When compared to the overall population of the country, confirmed COVID-19 cases and fatality rate stands at 8.17% and 0.06%, respectively
- Supply Wisdom is continuously monitoring the situation and will alert you to any relevant developments
- Please consult the Ministry of Health (<https://www.health.gov.il/English/Pages/HomePage.aspx>) for the latest information on COVID-19 in Israel

# Impact level Definitions

Impact Level	Definitions
Immediate	<b>Certain</b> - Supply Wisdom recommends considering prompt action. Examples of Immediate level alert events may include bankruptcy filings, data breaches, unexpected curfews, strikes, power black-outs, major geo-political events etc.
High	<b>Highly likely to occur in the near term (within 3 months)</b> - Supply Wisdom recommends being in a state of readiness to take quick action. Examples of High level alert events may include withdrawal of rating by ratings agencies, hostile takeover, multiple cyber-attacks, new business policies causing significant hardship etc.
Medium	<b>Likely to occur in the mid-term (within 3 to 6 months)</b> - Supply Wisdom recommends reviewing current mitigation steps and being ready to take proactive actions if and when situation deteriorates further. Examples of Medium level alert events may include unplanned C-level exits, suppliers caught in bribery cases, economy slipping into recession.
Low	<b>Possible in the long-term (after 6 months)</b> - Supply Wisdom recommends taking proactive action if situation does not resolve. Examples of Low level alert events may include lawsuits filed against suppliers, client losses, air pollution alerts issued by country's local authorities, unexpected holidays announced for the location etc.
Informational	The event is pertinent information but does not have a risk element associated with it. Examples of Info level alert events may include launch of new solutions, partnerships signed, industry outlook, positive changes in government policies, announcements regarding launch of software parks/ free trade zones/special economic zones etc.
