

# Update 32: Colombia - Extends the Closure of Land and River Borders Until June 1, 2021 to Curb the Spread of COVID-19

- The Government of Colombia announced that it will extend the closure of its land and river borders until June 1, 2021 as it tries to curb the spread of COVID-19
- The measure, which was originally projected until March 1, 2021, seeks to prevent the spread of SARS-CoV-2 throughout the country
- While they remain closed, exceptions to the measure include freight transport, health emergencies, and other unforeseen emergencies
- In such situations, those who enter the country must comply with the biosafety instructions imposed by the Ministry of Health of Colombia
- Air travel will not be affected by the rules
- As of now, the country has reported 2,248,135 confirmed COVID-19 cases with 59,660 deaths, 2.65% of total reported cases, and 2,145,450 recoveries, 95.43% of the total reported cases
- When compared to the overall population of the country, confirmed COVID-19 cases and fatality rate stands at 4.38% and 0.11%, respectively
- Supply Wisdom is continuously monitoring the situation and will alert you to any relevant developments
- Please consult National Institute of Health (<https://www.ins.gov.co/Paginas/inicio.aspx>) for latest information on COVID-19 in Colombia

# Impact level Definitions

Impact Level	Definitions
Immediate	<b>Certain</b> - Supply Wisdom recommends considering prompt action. Examples of Immediate level alert events may include bankruptcy filings, data breaches, unexpected curfews, strikes, power black-outs, major geo-political events etc.
High	<b>Highly likely to occur in the near term (within 3 months)</b> - Supply Wisdom recommends being in a state of readiness to take quick action. Examples of High level alert events may include withdrawal of rating by ratings agencies, hostile takeover, multiple cyber-attacks, new business policies causing significant hardship etc.
Medium	<b>Likely to occur in the mid-term (within 3 to 6 months)</b> - Supply Wisdom recommends reviewing current mitigation steps and being ready to take proactive actions if and when situation deteriorates further. Examples of Medium level alert events may include unplanned C-level exits, suppliers caught in bribery cases, economy slipping into recession.
Low	<b>Possible in the long-term (after 6 months)</b> - Supply Wisdom recommends taking proactive action if situation does not resolve. Examples of Low level alert events may include lawsuits filed against suppliers, client losses, air pollution alerts issued by country's local authorities, unexpected holidays announced for the location etc.
Informational	The event is pertinent information but does not have a risk element associated with it. Examples of Info level alert events may include launch of new solutions, partnerships signed, industry outlook, positive changes in government policies, announcements regarding launch of software parks/ free trade zones/special economic zones etc.
