

Update 26: Jamaica - Reopens Border with the United Kingdom Amid COVID-19 Pandemic

- Jamaica has reopened its borders to the UK-based travelers
- The decision comes after flights to the Caribbean island were banned for several months
- The initial ban was imposed under the Disaster Risk Management Act in Jamaica during December 2020
- The ban was lifted since close to 70% of the UK residents have received their first dose of vaccinations
- Reported COVID-19 stats for Jamaica:
 1. Confirmed Cases: 46,087
 2. Deaths: 793 (1.72%)
 3. Recoveries: 21,646 (46.97%)
- Supply Wisdom will continue to monitor and issue alerts for any relevant developments

Impact level Definitions

Impact Level	Definitions
Immediate	Certain - Supply Wisdom recommends considering prompt action. Examples of Immediate level alert events may include bankruptcy filings, data breaches, unexpected curfews, strikes, power black-outs, major geo-political events etc.
High	Highly likely to occur in the near term (within 3 months) - Supply Wisdom recommends being in a state of readiness to take quick action. Examples of High level alert events may include withdrawal of rating by ratings agencies, hostile takeover, multiple cyber-attacks, new business policies causing significant hardship etc.
Medium	Likely to occur in the mid-term (within 3 to 6 months) - Supply Wisdom recommends reviewing current mitigation steps and being ready to take proactive actions if and when situation deteriorates further. Examples of Medium level alert events may include unplanned C-level exits, suppliers caught in bribery cases, economy slipping into recession.
Low	Possible in the long-term (after 6 months) - Supply Wisdom recommends taking proactive action if situation does not resolve. Examples of Low level alert events may include lawsuits filed against suppliers, client losses, air pollution alerts issued by country's local authorities, unexpected holidays announced for the location etc.
Informational	The event is pertinent information but does not have a risk element associated with it. Examples of Info level alert events may include launch of new solutions, partnerships signed, industry outlook, positive changes in government policies, announcements regarding launch of software parks/ free trade zones/special economic zones etc.
